

About Us

Cornish Lavender

We have created the most beautiful, rustic and natural outdoor event and venue space, to host celebrations from small elopements, vow renewals, special birthdays, awards nights, baby showers, retreats, hen parties & family and dog friendly weddings. We specialise in small being beautiful, with celebration packages to suit all budgets, as we believe you should not saddle yourselves with debt as you embark on your future life together.

NOTE: We are not a Cornwall Council licensed wedding venue - we host wedding receptions and celebrations.
